Dear colleagues

Creativity Contest 2024

It is time again for our annual employee contest! Are you excited yet?

This year's topic is „**Make the most of now!**“.

So get together in *teams* and decide on a product/service/brand/event/app...
that you would like to advertise for!

Set up an **advertising strategy** and **present your ideas** to our expert jury until May*.

Please do not hesitate to ask for further information or advice.

We are looking forward to your creative ideas and designs!

Kind regards

Victoria and Vincent

* Remember to additionally hand in a **written concept** (advertising strategy)!
